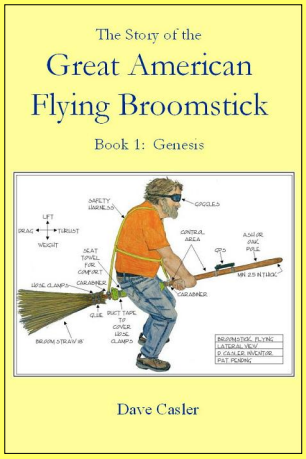
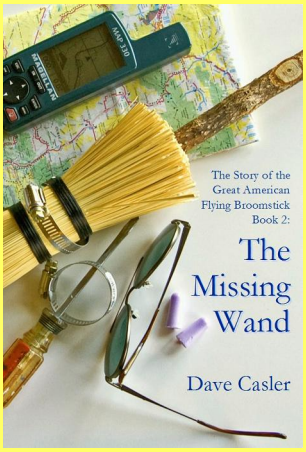
Read the Saga!
The Story of the Great American Flying Broomstick



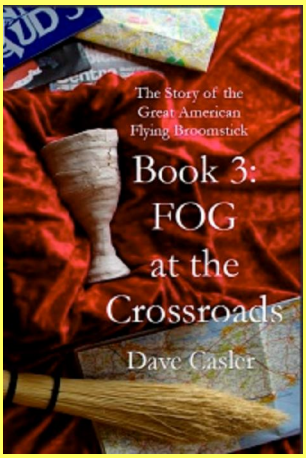
Also available on Kindle

Book 1: Genesis explains everything about the origin of the flying broomstick. This includes the mystery organization, FOG, the wand, and all the experiments (and trauma) that make the broomstick a revolution in personal transportation. Oh, and there's that movie, *Three on a Broomstick*--fantasy and reality collide!



Also available on Kindle

Book 2: The Missing Wand centers on recovering the stolen wand before it can be used for great destruction! Sudden flying broomstick popularity freaks out the FAA. And the extreme religious right thinks it's witchcraft! Join the broom races! Not to mention filming *Three on a Broomstick* on location in southwestern Colorado.



Soon Available on Kindle

Book 3: FOG at the Crossroads, chronicles a deep schism that could destroy FOG, all because FOG loses the Holy Grail. And a misguided journalist causes chaos in the brooming world. The Plasma Vortex wants the wand to create mayhem and extortion. A wild ride in Colorado and Southern England! Oh yes, that movie again!
